December 8th, 2024

Dear Friends:

The Tau Lambda Chapter of Alpha Phi Alpha Fraternity, Inc. has the privilege of Celebrating 100 years of existence and service in the Nashville community. We celebrate this auspicious occasion with the same pride of the esteemed Founders in establishing our fraternity in 1906 at Cornell University, Ithaca, NY.

For a century, Tau Lambda has provided programming to include political awareness through its Voter Registration campaign, benevolent service for senior citizens, physical and mental health initiatives, and scholarships for youth in support of our national platform, *Go to High School; Go to College*. This initiative is best supported through *The Legacy Education Foundation*, a separate 501(c) 3 organization devoted to making college education attainable. Since its inception in 1978, it has awarded scholarships to eligible and deserving high school graduating seniors. The recipients matriculate to higher education institutions in Nashville, the southeast region, and the nation.

Throughout 2025, the milestone celebration will feature special events, culminating in the highly anticipated Centennial Gala—"A Century of Elegance"—to be held at the J.W. Marriott Hotel in Nashville TN on Saturday May 31, 2025. This event will give us an opportunity to celebrate the progress we have made, and to recognize our partners and supporters.

We are soliciting your sponsorship for this 100th year celebration. Over 500 patrons, including business, civic, and community leaders will join in our celebration. Our goal is to raise funds to support much needed scholarships for graduating high school students in our local area.

The success of our Centennial event depends on the financial partnerships from businesses and organizations like yours. Please consider being one of our sponsors for this centennial celebration. If your organization contributes to our foundation, we will offer promotional opportunities, as illustrated in our sponsorship packet for your consideration.

We thank you in advance for your sponsorship. Please join us as we celebrate 100 years of the Tau Lambda Chapter!

Sincerely,

Victor Moore
